ASKED TO SPEND XMAS SAVINGS IN THE CITY

Twenty-six Thousand Dollars to be Distributed to Christmas Club Depositors.

Twenty-six thousand dollars will be liberated from the Mishawaka Trust & Savings Co. Thursday. This represents the deposits made during the year to the Christmas Savings club, and which consisted mostly of pennies, nickels and dimes. Accompanying the checks which the bank is sending out, is a letter in which the recipients are urged to spend their money in Mishawaka. This feature is much appreciated by the merchants of the city, who anticipate a busy Christmas tide. For 50 weeks the multitude of members of the Christmas Savings club have been dropping their mites into the bank, and that it will prove a boon to the community is not doubted.

Considering that the amount of Christmas savings to be distributed in South Bend amounts to \$75,000, it is considered remarkable that with one bank in Mishawaka handling the savings club, such a generous sum as \$26,000 should have been saved during the year.
